Dear Mr. Schryver,

We are pleased to inform you that the arms you submitted were accepted for record by the Committee on Heraldry at our regular meeting of 28 April 2026.

The arms are blazoned in Committee records as follows:

Arms: Per chevron silver and sable in chief two books expanded proper bound sable, in base a quill pen palewise silver.

Crest: A demi-griffin sable armed gold holding between the claws a scroll silver.

This blazon accords with the style adopted by the Committee over one hundred years ago when it first undertook the systematic registration and recording of arms borne in the United States. We regard it as equivalent to the blazon or emblazonment you submitted.

Modern arms recorded by the Committee are published in our annual reports, available online at americanancestors.org/committee-heraldry. Yours will be published in the report for 2026.

The Society acknowledges receipt of the $50 recording fee.
